To The Ethic Board,

I wish appeal the late fee of \$400.00. As a new Candidate for office I wanted to follow all that was required of me; I am very sorry for not returning the form to the Ethic board after the run off on December 6, 2014. I did not receive any funding or assistance of any kind during the time of November 4, 2014 and December 6, 2014. I thought I turned in all necessary forms after the election. As the Mayor of Melville I am only paid 432.00 a month in salary to lead this town into recovery.

I hope you will accept my appeal because I really was not aware of my error after the runoff election.

Sincerely,

Erana Mayes

Mayor of Melville, LA
